

Quiz

In the following quiz, you will be tested on concepts you learned in this chapter.

1

Which of the following functions are not offered by Docker Registry?

2

What is the difference between a public and private registry?

3

Which of the following is true when you reduce the size of an image?

4

Which list of factors influences the size of an image?

5

Why is it that when we rebuild an image, it takes a lesser amount of time as compared to the first time we built it?

[Check Answers](#)

Now that we know how to publish a Docker image, let's take a further look at some of the benefits of Docker in the next chapter.
