Following this Course

Learn how to make the most of this course on Kotlin.

Before you start your Kotlin journey...

A few key notes about this course:

- The code examples shown in this course may have **hidden code**.
  - This is used at the beginning of the course to facilitate writing your first lines of Kotlin code.
  - This is useful to print outputs when you run a code example.

Maximizing your Learning

- **Please complete all the quizzes and exercises.**
- You can find all exercise **solutions on GitHub**.
  - **Solve them yourself first!** Spend time on these if necessary. It's the most valuable part of the course and key to your learning!

Now let's dive into the hands-on part of the course!
